**Tufts Travel-Learn Program**  
*Fields of Dreams: A Baseball Odyssey*  
**June 23 - 29, 2003**

### Frequently Asked Questions

**What does double mean? Is this price for two people?**  
All prices are per person. Single, double, triple and quad refer to the hotel occupancy. Double means two people staying in one room, either in one King bed or two beds, triple means three people staying in a room with two beds and quad means four people staying in one room with two beds. Rollaways or cots are available at most hotels if more than two beds are required in the room. However, certain cities including New York do not allow rollaways or cots in the room due to fire regulations.

**Are any meals included on the trip?**  
The welcome reception (light appetizers and drinks), lunch at Mickey Mantle’s, and the farewell lunch at the Babe Ruth Museum are included in the price. All remaining meals are traveler’s responsibility. Note: all trip hotels have restaurants on their property or located nearby.

**Can I modify the trip listed in the literature?**  
Yes, some modification is possible. Travelers may delete or add hotel night(s) from the start or end of a trip or add tickets to MLB games for family and friends. These modifications are based on hotel and ticket availability and will be handled on an individual basis. For more information on these options, please contact our tour operator, Sports Travel, Inc. (1-800-662-4424). Mention “Fields of Dreams” when calling.

**Are there any age restrictions on a road trip?**  
We recommend that children be at least thirteen years old. All children 17 years old or younger must be accompanied by an adult. Please see the trip literature for children’s rates and policies.

**How do I get to the airport if I am staying on after the trip ends?**  
Transportation from the airport at the beginning and end of the trip is not covered. We can recommend options, and the hotel will also be able to provide information and make arrangements for hotel transfers.

**The itinerary indicates that I need to arrive in Boston by 2 pm, but my flight doesn’t arrive until 4. What should I do?**  
We suggest you arrive by 2 pm to allow for sufficient time to travel to the hotel, check-in and to meet the rest of the group prior to the reception. If you plan to arrive later, you must arrange transportation to the welcome reception in order to meet up with the group. If there is significant delay in your arrival and you need assistance, you may call the tour operator (1-800-662-4424).

**What does the stadium tour include and how long does it last?**  
Stadium tours typically last 60 – 90 minutes and include stops inside the press box, visits to owners’ box or suite (or similar) and possible behind the scenes stops in a locker room, umpires room and the dugout. Most tours will either start or end at the team’s shop.

**How long are the city tours, and what is included?**  
City tours generally last 3 hours and include drive-bys or stops at the cities individual tourist attractions. The New York City tour is called “Baseball is New York” and traces the growth of baseball in conjunction with the rise of the city.
I want to save some money. How does the single share work?
The single share option is available to single travelers who wish to be matched with another single and share a double room. Travelers must request this option at the time of registration and every attempt will be made to secure a match. Please pay the single supplement at time of registration and if a roommate can be secured you will be notified at least 30 days prior to the trip and the difference will be refunded to you. However, we cannot guarantee a roommate will be found.

Can we use a different hotel if we decide to stay additional days, as an early arrival or late departure instead of the group hotel?
Travelers are free to make their own pre- or post-travel plans, but we cannot arrange for transfers to or from different hotels other than those on the itinerary. Our tour operator (1-800-662-4424) can arrange for you to extend your stay at the group hotel.

Where are the seats located for the Major League Baseball Games?
Our tour operator will obtain the best available tickets at the highest prices for each game. Generally these seats are located either in the upper levels within the infield or lower levels down the lines. The ballpark, day of the week, number of season ticket holders, opponents and possible game promotion all affect ticket availability.

Can I get better tickets?
Yes, upgraded tickets for each game are available through the Upgraded Ticket Option (UTO). The price of the UTO guarantees the best available lower level seats within the infield (where the dirt meets the outfield grass, between 1st and 3rd for each game). Please contact the tour operator at 1-800-662-4424 to arrange for this option.

I am handicapped; can I travel on one of your trips?
Yes. We will make every effort to assist our handicapped travelers. However, those who require extraordinary assistance must arrange for a travel companion to accompany them. Our deluxe motor coaches do not come equipped with lifts. However, our tour operator and host will attempt to help handicapped travelers in any way they can.

What about insurance protection?
We highly recommend third party travel insurance. Please call the Tufts Travel-learn program at 1-800-843-2586 for information.
